July 28, 2020 Final-Revised Fresno County Board of Supervisors Agenda

Please be advised that the July 28, 2020 Fresno County Board of Supervisors Agenda has been revised. The final workshop agenda, with instructions for public comment/participation, can be found online at <https://fresnocounty.legistar.com>.

The meeting will no longer be broadcasted on the County's Facebook page. The meeting will instead be live streamed online through the County's Legistar system at <https://fresnocounty.legistar.com>.

In an effort to protect the health and safety of all attendees and provide adequate physical distancing, Tuesday's Workshop will have limited capacity. Media presence will be limited to one representative from both print and television media to allow for more public attendance. Television stations will need to coordinate and select a representative to attend the meeting. GV Wire will represent print media at the event. Television or radio press will need to coordinate in advance of the meeting to select its representative. Additional media personnel will be allowed into the meeting depending on the level of public attendance.
